Don't miss the BIG day, Friday, February 18th! Your chance to purchase high quality genetics to Pave the Way to higher profits for your farm or ranch from Blacktop Farms. We work 24 hours a day this time of year to bring you the best AI sired herd bull prospects you can find. You won't find the largest or heaviest yearlings, but we do think they have been well grown to preserve semen and foot quality. Our average weaning EPD in the bulls on this sale is the top 10% of the breed.

We invite you to join us for a brisket supper. We hope to visit with each of you and would be glad to help you select bulls for your needs. We will take care of you! We also want to know of any problems you have through the year. It is always good to know if there is something that is a challenge for you and see if there is anything we can work on here. We would be glad to help you understand all the numbers. All bulls sell with DNA testing complete, which increases the accuracy of your purchase, similar to having 8-20 progeny already recorded. All bulls are tested free or clear by pedigree of known genetic defects as well.

We would like to thank all past and future buyers from Blacktop Farms. We appreciate your support. When we look back at our start 24 years ago, we have come along ways from the "bid board"! And many of you have been with us thru it all. Thank you! See you Friday!

*Bid Online!*  
If you are unable to attend the sale, you can register to watch or bid online through The Livestock Link by following these instructions:
