What a fantastic time to be in the cattle business! Come join us for a beef supper and sale on Friday, February 20th. This year, we're offering a top-notch group of bulls—one of our best yet. These bulls come from generations of AI breeding, are genomic tested, and have been raised to thrive in commercial cattle operations. All bulls are guaranteed free of known genetic defects

We look forward to visiting with you and are happy to assist in selecting bulls that will meet your herd's goals. You can watch videos and place bids online through DVAuction. For more details, visit BlacktopFarms.com. See you at the sale!
